Homicide Investigation

The Birmingham Police Department is conducting a homicide investigation. The incident occurred on Saturday, December 25, 2021.

The victim has been identified as:
Raymond Cotton Jr., (42), B/M, of Birmingham, Alabama.

Shortly after 11:00 a.m., North Precinct officers were dispatched to 25 40th Street West on report of a person shot. Officers arrived on the scene and observed the victim lying unresponsive on the front porch of the location suffering from multiple gunshot wounds.

Birmingham Fire and Rescue personnel arrived on the scene and transported the victim to UAB Hospital where he succumbed to his injuries.

The preliminary investigation suggests the victim was walking to the front porch when he was approached on foot by an unknown suspect(s). The unknown suspect(s) fired shots at the victim fatally wounding him; the suspect(s) then fled the scene.

Currently, there is no one in custody.

If there is anyone who has information pertaining to the case, please contact the B.P.D. Homicide Unit @ [205-254-1764](tel:205-254-1764) or Crime Stoppers @ [205-254-7777](tel:205-254-7777).

Anonymous tips can also be submitted to Crime Stoppers through the Birmingham Police Department's Mobile App on Android or IOS devices. Updates will be provided as information comes available.

This is Birmingham's **115th** murder investigation of 2021 with **14** justifiable death Investigations). The Birmingham Police Department adheres to FBI Uniform Crime Reporting guidelines set for all law enforcement agencies across the United States. FBI Uniform Crime Reporting guidelines do not require law enforcement agencies to include justifiable death investigations into the total homicide investigations counts.

****The information is based on a preliminary and ongoing investigation, which continues to evolve as investigators interview witnesses, review physical and electronic records, and analyze forensic evidence. The Department's understanding of the facts and circumstances may change as additional evidence is collected and analyzed****
